Who is the CEB Award for?

If you work on addressing social challenges and improving the lives of the most vulnerable in your communities, this Award is for you!

Individuals older than 18 and organisations can nominate their projects for the CEB Award.

Which countries are covered?

The organisations or individuals nominating projects must be based in one of the CEB's 43 member countries in Europe.

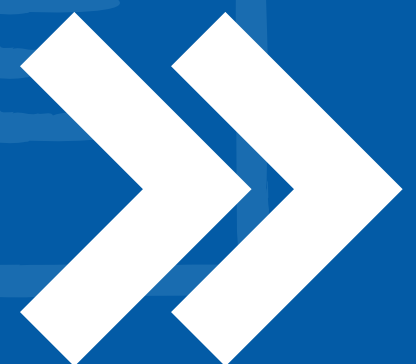

The same goes for the beneficiaries of the project.

Our project started recently. Can we nominate it?

Yes! We expect to see projects that are already in the implementation phase.

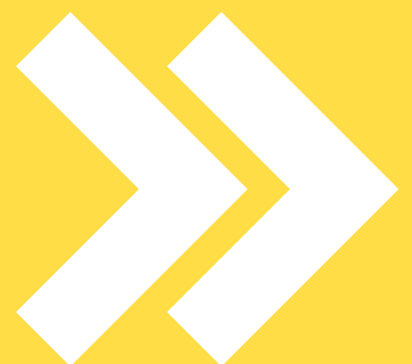

They should have clearly defined objectives, schedule, estimated costs and a financing plan.

What are the Award criteria?

We assess projects on social impact, sustainability and innovation.

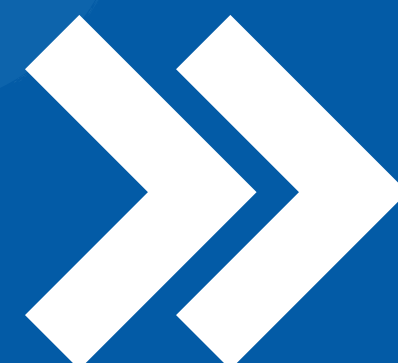

We want to know what problem you are trying to solve in your community and who benefits from your project.

How do you choose the winner?

CEB staff with expertise
in social projects
examine and score
all nominations.

An international Jury of experts
selects one Award winner
and two runners-up.

What is the prize?

The winning project
will receive

€45,000

and the two runners-up

€5,000

each.
